1976 TOWN WARRANT

TOWN OF HAMPSTEAD, N.H.

To the Inhabitants of the Town of Hampstead in the [L.S.] County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the gymnasium, in said Hampstead on Tuesday, the second day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To choose all necessary School District Officers for the year ensuing.

3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

General Government	\$ 52,800.00
Protection of Persons and Property	53,500.00
Health Department	9,110.00
Highways	56,200.00
Library	7,075.00
Public Welfare	13,400.00
Memorial Day	600.00
Recreation	4,500.00
Public Service Enterprises	11,510.75
Interest	25,000.00
County Tax	47,631.22
Principal & Long Term Notes	5,000.00
	<hr/>
	\$286,326.97

Recommended by the Budget Committee.

4. To see if the town will vote to authorize the Selectmen to hire money for the use of the town in anticipation of taxes.

5. To hear reports of Auditors and Committees and to act thereon.

6. To see if the town will vote to authorize the Selectmen to administer or dispose of any Real Estate by public sale acquired by the town through Tax Collectors deeds.

7. To see if the Town will vote to adopt the amendment to the Zoning Ordinance as proposed by the Planning Board. The amendment is as follows:

*Article 7 will appear as a referendum on the ballot.

*Amend Article XIII by adding a new Section IV to read:

"The conversion of a dwelling principally used as a seasonal, recreational, or second home to a home which is or may be used as a primary or year-round dwelling shall be considered an alteration for purposes of the Building Code of the Town of Hampstead. The granting of a permit shall be conditioned upon a showing that the waste-water disposal system appurtenant to the dwelling complies with the Ordinance Governing Sewage and Waste Disposal in effect at the time of conversion."

Recommended by the Planning Board.

8. To see if the Town will vote to raise and appropriate the sum of \$414.29 as its share of the New Hampshire Municipal Association.

Recommended by the Budget Committee.

9. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$1,000.00 to continue the project started in 1975 of microfilming town records.

Recommended by the Budget Committee.

9. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$2,100.00 to establish a salary schedule for town officers as follows: Selectmen, \$1,350.00, Selectmen Chairman, \$1,800.00, Town Clerk, \$900.00 and Town Treasurer, \$900.00.

Recommended by the Budget Committee.

10. To see if the Town will vote to install a street light on Emerson Avenue located on pole #21/8-29, between the houses of Reverend Henry Sawatzky and Robert A. Morse. By petition.

No Recommendation.

11. To see if the Town will vote to accept Valley Road and Ashford Roads in West Hampstead.

Recommended by the Budget Committee.

12. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the use of the Greater Salem Mental Health Association.

Recommended by the Budget Committee.

13. To see if the Town of Hampstead will open the road known by some as the Old Derry Road or Col-

lette's Road, a distance of 1100 feet from route #121 to the end of a parcel of land owned by the Hampstead Post #4424 Veterans of Foreign Wars. By Petition.

No Recommendation.

14. To see if the Town will vote to raise and appropriate the sum of \$500.00 to be added to the Land Purchase Fund created in 1972.

Recommended by the Budget Committee.

15. To see if the Town will vote to abolish the Capital Reserve Fund — Post War Work — established by vote of the town at Town Meeting, March 14, 1945, and to transfer the funds to the Conservation Commission Land Purchase Fund created in 1972.

Recommended by the Budget Committee.

16. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$18,000.00 for the construction of two Plexi-Pav asphalt tennis courts to be located on town property; to include a ten foot high vinyl-clad cyclone fence to surround the two courts, and including all equipment necessary for the completion of said courts, 50% to be re-imbursed from B. O. R. Funds.

Recommended by the Budget Committee.

17. To see if the Town will vote to expend from Revenue Sharing Funds a sum of money not to exceed \$5,000.00 to refurbish the Meeting House.

Not recommended by the Budget Committee.

18. To see if the Town will vote to expend from Revenue Sharing Funds a sum of money not to exceed \$7,500.00 for the installation of a fire alarm system in the Library, Town Office, East Hampstead Fire House, Central Fire House, and the Meeting House.

Recommended by the Budget Committee.

19. To see if the Town will vote to expend from Revenue Sharing Funds a sum of money not to exceed \$2,500.00 for the purchase of approximately one half acre of land adjacent to town property at the rear of the Town Office as shown on plan.

Recommended by the Budget Committee.

20. To see if the town will vote to expend from Revenue Sharing funds a sum of money not to exceed \$800.00 for the construction of approximately 230' chain link fence on the town property.

Recommended by the Budget Committee.

21. To see if the Town will vote to expend from Revenue Sharing Funds a sum of money not to exceed

\$6,540.00 (\$2.00 per capita) to allow the Selectmen to enter into a contract with the Shanahan Ambulance Service to guarantee this service for one year commencing July 1, 1976.

Recommended unanimously by the Budget Committee.

22. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$2,000.00 for the purchase of a moving radar unit for the Police Department, 50% to be re-imbursed by the Highway Safety Agency.

Recommended by the Budget Committee.

23. To see if the Town will vote to expend from Revenue Sharing Funds \$5,000.00 to establish a Capital Reserve Fund for the future purchase of equipment for the Fire Department.

24. To see if the Town will vote to call the property purchased by the town in 1975 on Wash Pond Road the Picnic and Parking area.

25. To see if the town will vote to accept State Aid Construction of Class V roads, and raise and appropriate or set aside for said purpose the sum of \$351.89. The State's share being \$2,345.92.

Recommended by the Budget Committee.

26. To see if the town will vote to accept the donation of \$2,000.00 from the Cohen Foundation camps.

27. Town Meeting Resolution:

WHEREAS, The People of the Town of Hampstead, being concerned about the problem of drunken drivers threatening the lives of its citizenry,

NOW THEREFORE BE IT RESOLVED BY THE PEOPLE AT TOWN MEETING ASSEMBLED, That they do hereby instruct the governing bodies of this state to take appropriate action to strengthen and enforce present laws, create stiffer penalties, and to continue present retraining programs to deal with the drunken driver.

28. Town Meeting Resolution:

WHEREAS, The people of the town of Hampstead rely on adequate supplies of quality waters for domestic and recreational purposes and

WHEREAS, The continuing health, vitality and economic well-being of the town and its people depend upon the maintenance of adequate supplies of good quality waters,

NOW THEREFORE BE IT RESOLVED BY THE

PEOPLE AT TOWN MEETING ASSEMBLED that the goals of the Water Pollution Control Act Amendments of 1972, being the elimination of the discharge of pollutants into surface waters and the maintenance of water quality which provides for the protection and propagation of fish and wildlife and provides for public health and recreation in and on the water, be adopted as worthy goals for the town to pursue.

BE IT FURTHER RESOLVED, that the officers and agents of the town be directed to reflect in their actions the goals of preventing, reducing and eliminating water pollution, and that whenever possible the town shall guide the development and use of land to restore, preserve and enhance the quality of waters in the town.

Given under our hands and seal, this third day of February, in the year of our Lord nineteen hundred and seventy six.

CHARLES W. LINDQUIST, JR.
LAURENCE C. CORNWELL
DEAN C. HOWARD

Selectmen of Hampstead

A true copy of Warrant—Attest:

CHARLES W. LINDQUIST, JR.
LAURENCE C. CORNWELL
DEAN C. HOWARD

Selectmen of Hampstead

The polls will not close before 6 P.M.

It is understood that a motion will be made at the opening of the meeting that the polls remain open until 8 P.M.

The business meeting will be held on Friday, March 5, 1976, at the gymnasium at 8 P.M.

NOTICES

INVENTORIES are mandatory. They must be filed with the Selectmen on or before April 15th. Forms are distributed by mail. Please note that a description of the property which will enable the assessing officials to locate and identify each parcel is necessary. A phrase such as "Same as last year" or "no change" is not sufficient. On census portion list **only** names and birth date of any new, deceased or members of household moved away.

VETERANS should understand that it is their responsibility to request forms for tax exemption. The Blue card is a permanent record and must be filed only once. However, in order to receive the exemption each year, the Inventory must be filled in and the portion for the Veteran's Exemption checked, signed, and in the hands of the Selectmen before April 15th.

THE SELECTMEN will meet in their office in the Town Office Building on the first and third Tuesday of each month at 8:00 P.M. and meet on the first Tuesday at 7:00 P.M. with Department Heads.

THE PLANNING BOARD — Regular meeting is the third Monday of every month at 8 P.M.

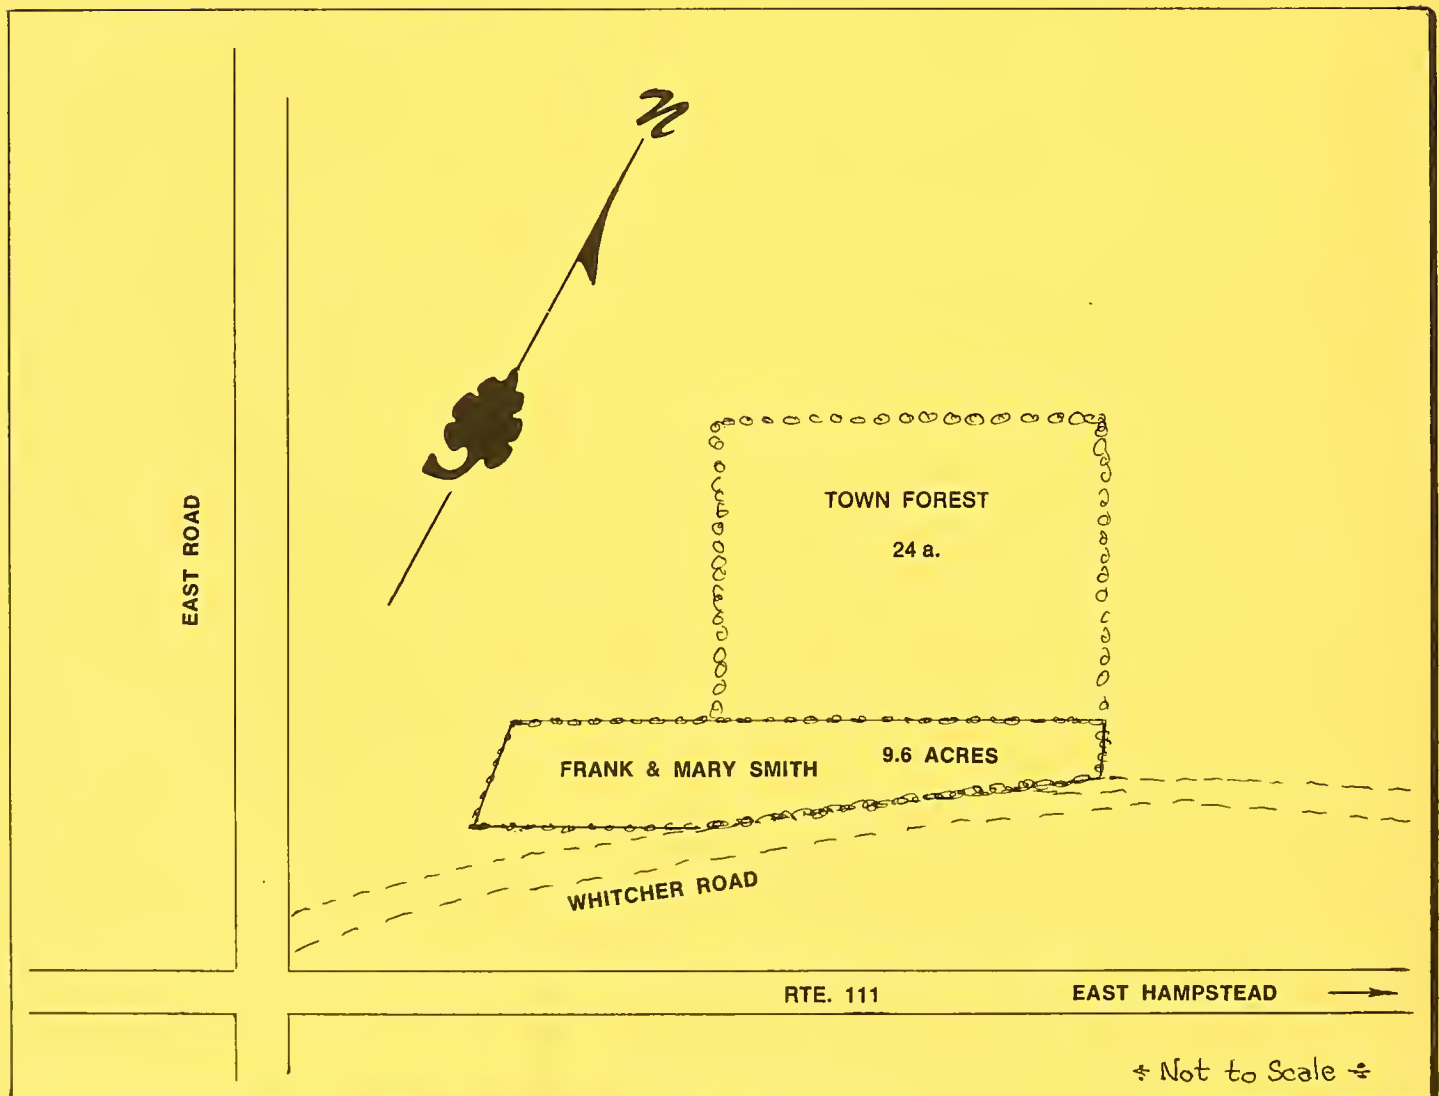

ELDERLY EXEMPTION BLANKS are mailed to persons who have received the exemption the previous year. For persons over 70 who think they may be eligible and who have not received the exemption before, blanks can be obtained from the Selectmen and returned by April 15th.

On behalf of the Town of Hampstead, the Selectmen would like to make this space available to extend our sincere thanks and gratitude to Frank O. and Mary Smith for their very generous gift to our town of 9.6 acres of land contiguous to the Town Forest. The acquisition of this land further enhances our present Town Forest by improving accessibility and being able to set aside valuable land for future enjoyment by generations to come.

Our Conservation Commission should be commended for their efforts in working with Frank O. and Mary Smith to make this gift a reality.

Again, to both parties, we extend our sincere thanks for a job well done.

Selectmen
Charles W. Lindquist, Jr.
Laurence C. Cornwell
Dean C. Howard

January 14, 1976

REPORT OF POLICE DEPARTMENT

The year 1975 was one of hard work and long hours for this department; yet one of pride and satisfaction for the numerous undertakings that were accomplished. Perhaps the greatest test of all was the security program for the visit of the President of the United States, for which this department received congratulations from the Secret Service and N.H. State Police for a job well done.

Forty-six motor vehicle accidents were investigated which resulted in one fatality, eleven slight injuries and twelve persons hospitalized. This is a decrease of almost twenty per cent over the previous year. Other figures as follows also show a marked decrease in most areas over the previous year; ten missing persons (all located), twenty-seven breaks with larceny, thirty-one breaks, three stolen motor vehicles (nine recovered from other towns), seventy-two acts of vandalism and over four hundred general complaints. One hundred and thirty-seven cases were taken to court for various violations and all but three were convicted. At present we are working in co-operation with the Fire Department on two arson cases and have four cases pending Superior Court.

A federal grant was received from Highway Safety to implement payment of a summer patrol for an eighteen week period. This added coverage proved beneficial both in increased coverage and a decrease in criminal activities. It is our intent to apply for this grant again this year.

A special plea from us to all of you — please report any and all suspicious activities observed to this department immediately. All too many are being reported hours or even days later and by then it is too late.

Sincere thanks and appreciation to all members of this department, their wives, town officials and other departments for their utmost cooperation and guidance without which our job would be more difficult.

William J. Letoile, Jr.
Chief of Police

REPORT OF THE FIRE DEPARTMENT

1975 was a busy year for the Fire Department with 101 calls answered, as follows:

- 5 House Fires
- 10 Chimney Fires
- 13 Car Fires
- 13 Woods or Grass Fires
- 7 Dump Fires
- 5 Electrical Fires
- 1 Bomb Scare
- 3 False
- 45 Rescue Calls

Mutual Aid was requested from Atkinson and East Derry for four House Fires. We would like to express our sincere thanks to these Towns for their assistance.

Several members attended State Fire Training Schools in Fitzwilliam and Gilford, New Hampshire. This is in addition to the training conducted on the local level, which is required.

The new fire truck authorized by the Town is expected to arrive in the Spring. This will require many hours of training to acquaint the Men of the operation and proper use of this Pumper.

The annual Santa Claus Parade was a tremendous success, being bigger and better than ever. We are grateful to all individuals and organizations that makes this parade such a success.

Special Thanks to the Police Department for their continued co-operation during this past year.

Respectfully submitted,

Alfred H. Brickett, Chief	Neil E. Emerson
Paul S. Wentworth	Walter M. Hastings
Charles E. Kinney	Board of Engineers

REPORT OF SOUTHERN ROCKINGHAM REGIONAL PLANNING DISTRICT COMMISSION

The commission was active in three areas this year; local assistance, regional planning, and coordination. In the area of local assistance Hampstead received help on the town plan, investigations of several proposed developments and a groundwater feasibility study. An environmental assessment was prepared to aid the conservation commission in obtaining town forest money from the land and water conservation fund.

In regional planning the main emphasis will be water quality planning. Programs are now going on for surface water testing as well as investigating shorefront seasonal home conversions, a plan for sub-surface sewage disposal systems, and the need for municipal wastewater treatment plants. Other areas under investigation are solid waste disposal planning, water supply planning and transportation planning for the region.

In the third general category, co-ordination, the commission provides its member towns with information of federal and state grants or loan programs and may also assist them with their applications for those loan or grant monies.

Leonard R. Chase
Commissioner SRRPDC

LIBRARIAN'S REPORT FOR 1975

We have had a very successful year with many activities taking place. Our circulation has increased about 1,000 books more than last year. This is due partly to the increased population and to the National Right To Read Program that was established in 1970 to fight illiteracy. There were 12 sites chosen in New Hampshire and Hampstead was one of them. Each community has a Right To Read director and Mrs. Ann Yuscavage, a reading coordinator at Hampstead Central School was chosen. She is an enthusiast on the Right To Read Program not only inspiring the children to read but the adults as well.

April 13-19 was National Library Week. There were art exhibits by the Central School children under the direction of Mrs. Piehl. Two home-made doll houses, electrically lighted, made by Mrs. Roland True and Mrs. Steinmeyer were on exhibition. Mrs. Bonnie Wentworth had a beautiful display of ceramics made by one of her classes of young people. Many thanks to these people who made these exhibits possible.

On the 19th of April, the dedication of the Marjorie Kirkness Room was held with an open house. Charles W. Lindquist, Chairman of the board of selectmen was master of ceremonies. Rev. Sawatzky gave the invocation. Mrs. Elaine Brough, a former trustee who had served with Mrs. Kirkness, gave the dedication address. A beautiful plaque was placed on the wall, "In Loving Memory, Marjorie I. Kirkness, Trustee 1963-1972. For Devotion and Service." Miss Mildred Emerson thanked those who helped to make the Marjorie I. Kirkness room possible. Mrs. Rachel Sanborn, southeast district representative from the State Library was also a guest and offered a few remarks. Miss Wentworth had charge of the guest book.

I wish to express my sincere thanks to the "Young Mothers Club" for all they have done for the library. They hold a story hour every Tuesday morning from 10-11 o'clock. Refreshments are served. Mrs. Jeanne Phillips is the "reader". On October 28th, the club gave a pre-school Halloween Party with about 30 mothers and 50 children attending. Most of them were in costumes.

On November 9th, a birthday party was put on by the Young Mothers Club under the excellent supervision of Mrs. Sheila Harrison who planned the party. All the children and adults were asked to bring a book wrapped as a birthday gift for the library. They were placed on a table and the children opened them later.

The library received 242 books, some fiction and some non-fiction. The East Hampstead Circle gave a beautiful reference book, an encyclopedia on all kinds of dogs put out by the Kennel Club. The Hampstead Woman's Club and Mrs. Marion Shed have given money for a book.

The drawings on the wall were, "Big Bird" by Mrs. Sakash, "Snoopy" by Mrs. Miles, and "Winnie the Pooh" by Mrs. Phillips. Happy and Jasper, the clowns, gave out animal balloons and Mrs. Provost and Mrs. Phillips put on several puppet shows. My personal thanks to Mrs. Harrison for an outstanding program and her assistants. Refreshments were served and Mrs. Sakash made a beautiful birthday cake in the form of an open book. The Young Mothers Club also gave a cassette player and several story books with the tapes.

The Hollyhock Thrift Shop had a very successful year and thanks to the many people who donated so many fine things and to Mrs. Clark and her co-workers for donating so much time.

The American Educator Encyclopedia set and a new set of science books have been added to the children's room.

I extend my appreciation to all the people who have donated books, paperbacks and magazines throughout the year.

The Conservation Commission has completed the landscaping around the library and has done a fine job in improving the grounds. To Mr. and Mrs. Donald Duston, Dr. Moore and others who helped, I express my appreciation.

To Mrs. Malsbenden, Mrs. Beth Duston, Mrs. Brough and others who help with the typing, filing cards, cataloging, etc., I express my sincere thanks.

To Mr. James Stalker of the Hampstead Press, who has done so much for the Right To Read Program and the interest he takes in the library, a special "thank you."

To the trustees and Miss Bonnie Howard, my assistant, I express my appreciation for their superb cooperation.

Respectfully submitted,
Hazel K. Garland, Librarian

LIBRARY TRUSTEE'S REPORT

The Trustees of the Hampstead Public Library wish to thank all those who have shown so much interest in and have contributed time, books and money to our library during the past year.

A special thanks goes to The Young Mother's Club and the Right To Read Program for their interest and the projects which they have sponsored.

We recognize the extent to which the earnings of the Thrift Shop add to our resources and appreciate the efforts of all who contribute to this major project.

We wish to publicly recognize and express our appreciation to our librarian Mrs. Hazel K. Garland for her loyal and devoted service in the interests of the library and her willingness to accommodate in so many ways.

All are invited to become better acquainted with our library and to avail themselves of the services provided.

Respectfully submitted,

Florence Malsbenden
Mary E. Clark
Mildred Emerson

REPORT OF THE PLANNING BOARD

The planning board approved very few building lots during the past year. There was, however, much activity on site plan reviews for commercial development.

There was a zoning change near the junction of routes 121 and 111. A part of the C2 zone was changed back to Zone A and an area on route 121 was Zoned C1.

The town has been soil surveyed. The information hasn't been made available, however, when it is, we hope to use it in our master plan to develop a better perspective of our land use.

Leonard R. Chase, Chairman

DERRY VISITING NURSE ASSOCIATION

SECOND ANNUAL REPORT TO TOWN OF HAMPSTEAD

The second complete year of DVNA service to Hampstead reflects continued utilization of the program providing nursing care to the ill, and of the physical therapy service. It shows an increase in public health nursing visits which are available on a "no fee" basis because of the town appropriation. These are visits to provide general health supervision, assist with referrals, provide follow-up for state clinics, or assist the new mother and baby. Total nursing visits increased from 161 last year to 180 this year. There were also 16 Physical Therapy visits.

In addition to these traditional areas of service, the agency initiated three (3) new services this year which are of value to Hampstead residents. They include a new Homemaker/Home Health Aide service, and the availability of immunizations clinics and blood pressure screening clinics to residents over 60.

The H/HHA service is currently being funded by county and federal monies largely, rather than town monies; however it is a valuable resource made available to the residents of Hampstead through this agency. During the past year it provided 143 hours of assistance with personal care and homemaking to Hampstead residents.

The immunization clinics held in Derry every two months, and the blood pressure screening clinics held in Sandown every 2 months are both intended to be available to Hampstead residents also.

The town of Hampstead is represented on our Board of Directors at this time by Jeanne Cooke and Charles Clark from Hampstead.

Respectfully submitted,

JOANNE MILLSAPS, R.N.
Nurse/Administrator

PETER BRONSTEIN
President/Board of Directors

REPORT OF THE SUPERINTENDENT OF SCHOOLS

ROBERT J. CROMPTON

The Hampstead School Board has asked that a synopsis be given of its activity during 1975 as it relates to the seeking of solutions to problems of proper space for the education of Hampstead pupils. The problems are far-reaching and the solutions are not easily arrived at.

Since assuming its duties as a new school board in March, 1975, the Hampstead Board has undertaken a series of activities aimed at the solution of the school district's major problem . . . that of providing space to house its elementary school population and to provide instructional programs necessary for a proper education.

In the pursuit of this major goal, the Board accepted its charge made at the March meeting to negotiate a new contract with the Pinkerton Academy Trustees. This has been a major undertaking and has involved regular meetings of a "steering committee". This committee is made up of representatives of each school board of the towns which tuition students to the Pinkerton Academy as well as representation from the Academy's Board of Trustees. Other meetings with representatives of the sending towns have also been held.

Some of the major concerns of the Hampstead School Board and of other school boards in the negotiation of a new contract have been: (1) Voting Representation — Member boards obviously recognize the importance of more

definite input into the decision-making process in such matters as approval of new facilities, policy-making and quantity and quality of instructional programs being offered and (2) Controls over Capital Expenditures — While sending school boards recognize the need for additional facilities at the Pinkerton Academy, they expressed concern over setting limitations on the amount that can be invested in new facilities as well as limitations on the interest of mortgages to pay for these facilities. The Academy Trustees are not subject, as are the sending boards, to the two-thirds majority approval of district voters prior to huge expenditures for capital improvement.

In the negotiations process, it was hoped that with some form of voting representation along with voter approval for capital expenditures at the Pinkerton Academy, state building aid, to the extent of fifty-five percent of capital expenditures, might be made available to the Academy. It appears that this is now not possible.

The 1963 contract with the Academy provided for a limitation of capital expenditures. However, the explosive growth in student population indicated that building was necessary and these limitations had to be exceeded. Such projects as additional classrooms and the construction of an athletic field were declared reasonable by the Commissioner of Education despite the fact that it was a technical violation of the contract. The Hampstead Board recognized this and expressed a desire to be notified of future plans for further expansion so that Hampstead voters might participate, at least in an advisory capacity, in okaying further tax-supported expenditures for this expansion.

Negotiations have proceeded at an agonizingly slow pace. This is perhaps understandable as the future status of Londonderry, which sends some 600 students to the Academy, was in doubt. Londonderry has since approved by a narrow margin, negotiations with the Academy for a new long-term contract.

It is hoped that a firm contract proposal will be available for review by townspeople well in advance of the annual meeting in order that voters may make intelligent decisions with respect to ratification of a new long-term contract.

Since there is no assurance that voters will ratify a new contract, especially in Londonderry and Hampstead, the School Board has had to pursue other alternatives.

With this in mind, the Hampstead Board has communicated with other school boards to test whether other forms of cooperation might be feasible as an alternative. The Board has communicated in this regard with Fremont, Chester and Windham. No current interest was expressed by these school boards in alternatives. The Hampstead Board also communicated with the Timberlane Board and an annexation cost analysis was made. In its talks with the Timberlane Board, there were no commitments by the Hampstead Board of willingness to join the Timberlane Cooperative nor did the Timberlane Board agree to the acceptance of Hampstead high school students.

The Hampstead School Board, in addition to dealing with its major problem of contractual relationships with Pinkerton and alternatives, has also given a great deal of attention to its year-round school problems. The Board recognizes mixed feelings in the community with respect to the operation of the year-round school. It is apparent that the community has natural concerns about family vacation sequences that were interrupted with the institution of the year-round program. Problems of heat discomfort in the summer and coping with three-week vacation periods during other times of the year are obvious and were predicted. It was felt reasonable, however, to live with these problems.

A more serious year-round school problem was recognized by the school board and prompted their asking the district to support the employment of instructional aides at the school. Ideal staffing of certified teachers would require a single teacher at each grade level for each of the four learning sections. This would require doubling the teaching staff, a move considered economically impossible by the school board. Each member of the teaching staff, therefore, is required to meet with each of the four learning sections and to provide an orderly instructional sequence for each of the four groups as it passes through the 45/15 sequence. In many cases, extreme hardship was experienced in proper planning and subsequent instruction. A solution to that problem was necessary and the employment of additional aides was felt to be a reasonable means of relief from some of the difficulties experienced in instructional organization.

The Hampstead Board has also seriously considered other alternatives to the year-round school. Double sessions were considered but rejected when compliance with state board regulations would mean a school day beginning at 7:00 a.m. and ending at 6:00 p.m. Add to this the necessity for bus transportation commencing at 6:00 a.m. and terminating at 7:00 p.m.

The Board also looked at another "stopgap" measure, that of auxiliary space such as rental of other facilities. This proved expensive and short on merit due to the inappropriateness of auxiliary instructional space. These were questionable short-range solutions to a more complicated long-range problem.

Finally, following the direction of a Special School District Meeting, the school board is coordinating activities with the Citizens' Building Committee which is currently carrying out its responsibilities to deliver to the district voters a plan for an addition to the Hampstead Central School. The school board directed the school administration to assist the committee in providing necessary data for the orderly completion of the Committee's work.

The Hampstead School Board invites communication from interested citizens. The Board is anxious to hear all ideas. It also appreciates an opportunity to convey to the community its role in seeking solutions.

REPORT OF THE PRINCIPAL

WILLIAM P. NICHOLS

The students and staff of the Central School will have completed two years of year-round school in February, 1976.

There is no question that the mechanical aspect of the year-round schedule in reducing the number of children in the classroom is working, but our prime concern is with the academic achievement of our students. During our experience with the year-round school schedule numerous "pro and con" educational factors have surfaced. It is our intent that the education of the children in Hampstead will continue at the highest level possible. It is hoped that this effort will be supported by prudent decisions on the part of all who are concerned with the children of Hampstead.

The opportunity for teachers to give the normal amount of individual attention to students was a major area of concern under the year-round schedule. The constant change of class grouping caused by the three week vacation periods for each of the four color groups created a situation that could only be solved by adding more personnel to our staff. The School Board and voters of the District supported us in this request and additional teacher aides were recently placed to help improve the situation. We presently have one aide assigned to the teachers at each grade level in the school. This added help has enabled the teachers to improve on the amount of time spent with the individual student.

The school population dropped from 504 in June, 1975 to a starting census of 468 in July, 1975. This was mainly due to a policy change by the District on the age requirement for entering first graders. The first grade at the start of school in July, 1976 will pick up the six year olds that were not eligible last year. We will probably have two first grade classrooms next school year. This will use up our last classroom that gave us a space for our junior high home economics classes in the afternoons and some individual group instruction in the mornings. The present census at the Central School is 502 students.

Our special services team, which includes Guidance, Reading, and Speech, has been enhanced by the addition of a half-time Physical Education instructor. This team works with children, teachers, and parents in key areas of the total school program.

The Right to Read program which was inaugurated last year has had a positive impact on both the school and the community. The Young Mothers Club and the Lions Club have donated time and money in expanding Hampstead's Public Library and its services to the people of Hampstead. The Citizens Advisory Committee for Right to Read has been very active encouraging community participation in the program.

We would like to thank all organizations and individuals such as our room mothers and school library volunteers who have given of their time to help the children of Hampstead. This spirit of involvement is appropriate as we enter the nation's Bicentennial Year.

HIGH SCHOOL ENROLLMENT

December 22, 1975

The following tabulation shows the number of high school pupils, by grades, attending various schools and their respective tuition rates:
